FOLK - IDEA - NATION

THE UNITED STATES TODAY

150,000,000	Whitefolk
19,000,000	Negroes
8,000,000	Jews
3,000,000	Unclassified non-Whites
<hr/>	
180,000,000	

If our buildings, our highways, and our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our Whitefolk should become corrupted and mingled with the blood of non-Whites, then the present greatness of our Nation would be gone forever. The maintenance of our American civilization would be as impossible for a non-White America as would the redemption and restoration of the Whiteman's blood which has been mixed with that of the non-White.

FREEDOM FROM COMMUNISM

PLEASE DO NOT REMOVE
THIS SLIP FROM EXHIBIT
NY 105-6113-1A1 D

OUR AMERICAN DESTINY

It is our American Destiny to bring about the unity of the Whiteman's World. The life-or-death threat of aroused non-whites affords the challenge which will close the ranks of the Whiteman's World.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia must know that we are with him. The Whiteman of South Africa must know that his destiny is a part of our destiny.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological organism, ever-expanding by procreation.

DEMOCRATIC NATIONALISM

Out of the chaos and crisis of modern society emerges a dynamic, revolutionary idea with a positive approach towards the creation of a new national order. Against the subversive doctrines of the Left, we offer DEMOCRATIC NATIONALISM, with its unique, yet fundamental outlook on contemporary national and world affairs.

DEMOCRATIC NATIONALISM is an integral philosophy which embraces and revolutionizes in folk terms every aspect of American life. Its idea is a basic design for the organic preservation and the moral and material elevation of the Whitefolk of North America.

DEMOCRATIC NATIONALISM challenges our Whitefolk to fulfill a mission, to march forward in the opening of new frontiers. It encourages our Folk to work for a national moral reawakening in order to build a Whitefolk Community, bound together by a deep spiritual consciousness of a common past and a determination to share a common future.

The INSTITUTE FOR BIOPOLITICS is the practical instrument for the realization of the DEMOCRATIC NATIONALIST philosophy. The INSTITUTE FOR BIOPOLITICS does not propose to leave the vital interests of our Whitefolk to the whim of chance and the will of subversive elements in our midst. It proposes rather to mobilize our Folk in Revolutionary Unity for total biopolitical struggle.

FREEDOM FROM LIBERALISM

Folk Interest Before Individual Interest

Delineation of the Nation

1. We demand the union of all Whitemen of the North American continent into a common Folk Community.
2. Only members of our Whitefolk may be citizens of the Nation.
3. No Communist or Liberal may be a citizen of the Nation, because of advocacy of the mongrelization of our Whitefolk.
4. No Humanist or Pacifist may be a citizen of the Nation, because of disloyalty to the Nation.

Folk Policy

5. The Government shall promote Whitefolk integrity through the complete and officially enforced segregation of all non-Whites in the Nation.
6. We demand that all intermarriage between citizens of the Nation and non-Whites in the Nation be outlawed.
7. We demand the creation of a National Repatriation Commission to bring about the emigration and resettlement of non-assimilable Whites and non-Whites through financial and economic assistance.
8. Immigration shall be restricted to select Whitefolk from lands of ethnic consanguinity.

Civil Rights Policy

9. All citizens of the Nation shall share equal duties and enjoy equal rights and privileges.
10. The right to vote on the Government and legislation of the Nation shall be the privilege of citizens of the Nation only.
11. Only citizens of the Nation may be candidates for public office, and be employed in departments and agencies of the national and local governments.
12. Only citizens of the Nation may engage in jurisprudence, and be eligible for court and jury duty.
13. Only citizens of the Nation may bear arms and serve as members of the armed forces of the Nation.
14. All persons engaged in activities of entertainment and educational and cultural expression must be citizens of the Nation.

FREEDOM FROM HUMANISM

Folk Interest Before Individual Interest

Economic Policy

15. The workers, farmers, industrial and agricultural technicians, engineers, managers, and businessmen, as citizens of the Nation, shall work together as a team and be represented by their own members in the Government — they will subordinate their individual and group interests to the greater interests of their Whitefolk as a whole.
16. The Government shall secure private enterprise by guaranteeing equality of economic opportunity for all citizens of the Nation.
17. We demand a fair price for both producer and consumer, and the safeguarding of both against speculation and profiteering.
18. As science increases the power to produce, we demand that the purchasing power of the consumer be raised proportionately.
19. The Government shall alone exercise its constitutional right to issue debt- and interest-free currency, based on the national production of goods and renderance of services.

Social Policy

20. The Government shall secure the unending improvement of the health and living conditions of the citizens of the Nation.
21. We demand the total elimination of flood and dust-bowl conditions under a long-range program to conserve, utilize, and develop the water, soil, forest, mineral, and nuclear resources of our North American continent.
22. We demand the development of proper recreational facilities for the Whiteyouth of the Nation, beginning with the establishment of youth centers in every community.
23. We demand the complete reorganization of our educational system, so that every individual citizen of the Nation is afforded full opportunity for self-expression, self-realization, and thorough integration into the life of his Folk Community.

Foreign Policy

24. We demand that the sovereign interests of our Nation be secured by firm and sound bilateral diplomacy.
25. A strong and effective system of national defense shall be created to meet any international eventuality.
26. We demand the formal incorporation of Canada, Greenland, and the adjacent North Polar Regions into our Nation.

Political Policy

27. We demand a reorganization of all governmental departments to eliminate duplication, waste, and corruption, and to insure efficiency, economy, and sound administration.
28. We demand the elimination of all ideology and influences from every phase of our political and cultural life which tend to cause the degeneration of our Folk Community and the disintegration of our Nation.
29. To realize all the foregoing essentials, we demand the creation of a strong Government, armed by our Folk with the power to act in effecting its united will.

Rerep sets forth information received from [redacted] Mass., of unknown reliability, with regard to alleged Neo-Nazi activities in NYC and the vicinity. Included in the information furnished was the allegation that the captioned organization existed in NYC and the vicinity since HAROLD KEITH THOMPSON, JR., 380 Main Street, Apt. 13, Chatham, New Jersey, an alleged Neo-Nazi active in NYC and the vicinity, had given him a pamphlet entitled "DNP" issued by the captioned organization. This pamphlet sets forth the aims of the captioned organization. The principal aim of this organization appears to be "to increase the sense of social, economic, political and racial responsibility in our white folk who are members of our folk community". This pamphlet was forwarded to the Bureau as an enclosure to relet.

Dear Mr. Dunbar:

In reference to our telephone conversation today, I enclose the pamphlet we discussed, along with the envelope.

As you can see from the address, it was received among our audience mail for the current television panel show on N.B.C.

As I pointed out to you, I am particularly disturbed by the last paragraph on page two which suggests sedition.

I am sure your office has seen lots of crack-pot mail, as I have, but I have never to date seen such blatant revolutionary propositions sent through the United States mails.

I have checked with [redacted] and he agrees that this should be sent on to you for whatever disposition you deem advisable. b6 b7C

If we could be of any further assistance in this matter, please feel free to contact us.

Very truly yours,
